FROM THE PRINCIPAL

Dear Families

Hope everyone is enjoying this beautiful sunshine. Spring is here so let's hope many good times arrive with it.

We are now out of Quarantine and enjoying a little bit of freedom. Hopefully we can look forward to more freedom in the coming weeks. You all did an amazing job during quarantine. I can imagine that there would have been some challenging times. Our community have been so responsive, doing the right thing by obeying quarantine and lockdown regulations. Well done to everyone!

Home learning is still a major focus for all of us. Teachers, children and families are all in this together ensuring learning is continuing. We appreciate greatly the contribution by families in assisting our children to participate in zoom sessions and complete tasks on Seesaw.

It has been wonderful seeing children participate in the 8:30am fitness and the 3:00pm mindfulness sessions a great way to begin and end the day. The numerous tasks completed on Seesaw certainly show how dedicated our children are to their learning. The zoom sessions have been popular. It is good to see everyone connecting with the teacher and peers.

Please contact the school if you have any worries or concerns, if you have device or internet issues ... we are ready to help.

There is one more week of term 3 left and then we will be into holidays. Enjoy this last week and take care.

Kind regards

Denise

BERRY STREET NEED MORE FOSTER CARERS

Berry Street continues to experience a shortage of foster carers to provide care to the many vulnerable children and young people who require a safe and nurturing home. Our need for foster carers is greater than ever.

For more information please contact Janene on 5822 8100 or

humefostercare@berrystreet.org.au

Every child is different.
So is every foster carer.

BERRY STREET

A little of your time can change an entire life.

In Victoria, the number of children who cannot live safely at home has risen every year over the last 10 years. Children in care have experienced trauma – they need a safe, nurturing home environment to help them recover.

If you are over 21 and have a spare bedroom, we would love to hear from you. As a foster carer, you could make a huge difference to a child or young person in need.

For more information please contact Janene
